

KANSAS CITY REGIONAL  
HOME CARE ASSOCIATION

Dear Prospective Member & Homecare Leader:

**Kansas City Regional Home Care Association (KCRHCA)** “believes that Home Care is an essential element in the continuum of quality health care in the Kansas City area through education, involvement, oversight and networking.” We invite you to join our group and attend our monthly Business meetings that are held the third Thursday of each month at 9:00 am. at the Westwood City Hall, located at 4700 Rainbow Blvd., Westwood, KS.

With membership dues, your organization may participate in meetings, educational events, and committee work. The following KCRHCA committees are active within the organization:

- ❑ Patient Care Improvement Committee
- ❑ Education Committee
- ❑ Private Duty Committee
- ❑ Ethics Committee
- ❑ Community Relations Committee
- ❑ Annual Luncheon Committee
- ❑ Medical Social Work Committee
- ❑ Membership Recruitment Committee
- ❑ Hospice Committee
  - ❑ Volunteer Committee

The organization has:

- Provided Home Health Aide classes (six contact hours each) for members companies at a very affordable price.
- Provided guest speakers on a variety of topics pertinent to our health care arena including PPS, home care information systems, benchmarking opportunities, and annual conference reports.
  - Provided legislative and regulatory updates at each monthly membership meeting.
  - Provided marketing materials including informational brochures.
  - Provided a forum for companies to present ethical issues to an impartial panel for discussion.

Membership in Kansas City Regional Home Care Association provides companies a tool to grow and cultivate positive relationships in the Home Health arena here in our Kansas City Market.

Realizing the financial crunch, many companies are experiencing, we have maintained membership dues at the same rate for the last several years. In addition, we have made some bylaw changes to allow honorary members to join at a remarkably low cost of \$50.00/ year. Honorary members are those with an interest in home care but are not direct home care providers.

We encourage you to participate in this valuable and unique organization by completing the membership and application and paying dues today. Enclosed is a list of our current Board of Directors who would be glad to answer any questions you may have. Thank you for your consideration. Let's keep home care strong and viable.

Sincerely,

Teresa Borger  
Membership Chairperson
